Churchill Place & Hampton Court Newsletter

July 2020

Hello fellow neighbours, welcome to the first edition of the Churchill Place and Hampton Court newsletter. This newsletter is here to keep us all informed of what is happening within the strata and to help create a community within the commons. This will be an ongoing and changing newsletter and we welcome your ideas and thoughts on sections you would like to see in it. This is here to help keep us all informed and to create a stronger community.

Bylaw Breakdown

Is it time to replace your hot water tank?

<http://www.strata2720.com/files/gen/bylaws20120917.pdf>

1(2)(4) - An owner must ensure the hot water tank within the owner's strata lot is replaced not less than once every 8 (eight) years. Proof of hot water tank replacement and warranty term must be provided when requested by strata council. Should an owner fail to observe the requirements of this bylaw, the owner will be liable for any and/or all damages and costs related to the failure of the owner's hot water tank. {2012-09-17}

Household repair & maintenance:

Got someone that you'd recommend to your neighbours? Let us know and we can promote them in our next newsletters!

If you know the date of when you last had your hot water tank installed, email us so that we can update our files.
