Re: Clutter in Locker Room

During our last inspection, the Victoria Fire Inspection Branch noted a number of items outside of lockers. Therefore, all residents are asked to ensure there are not items on top, beside, or in front of their lockers. Residents are asked to either place the items inside their lockers or to dispose of the items in the proper manner.

Below is a list of locker numbers with clutter around them:

5	Light fixture	60	Table top, mat, watering hose	91	Pink foam
20	Boxes	66	Deep fryer box	99	Speaker
27	Golf clubs, electric ballast	68	Cardboard	100	Boxes
32	Shelf	70	Door, mat, box	101	Dirt devil box
39/40	Box, shelves	82	Wood	102	Chair
41/42	Pillow, plastic bag	83	Suitcase	103	Aquarium, boxes, clothes, birdseed
51/52	Wood and palate	84	Boxes	106-107	Boxes, skis, wire
58/59	Drawers, side table	90	Futon frame		

Even if you think this notice does not apply to you and/or you do not use your locker, please check on the condition of your locker, as you are responsible for it.

Any items left outside of lockers will be disposed of without further notice.

Please note: The act of leaving/discarding items anywhere on the common property (outside of the garbage and recycling bins) is considered dumping and subject to an immediate fine, plus the cost of removal. This includes items left outside of lockers, beside the garbage/recycling bins, in the garage, in the front entrances of the buildings, in the driveways, anywhere on the grounds, or **items placed in a locker which is not assigned to you.**

Thank you for your time and attention to this notice. Should you have any questions, please contact Roger Taylor at 383-9061.
